

WEDDING DAY COORDINATION

You enjoy planning your wedding but would like to celebrate your wedding day to the fullest without having to deal with logistical or planning-related activities. I will be briefed by you about the planning process before the wedding and will be provided with all necessary information and details. On your wedding day you can relax and enjoy the day to the fullest.

This package includes:

- Complete supervision of the wedding day
- On-site contact for all service providers and guests
- Decoration of the location
- Ensuring the smooth execution of the project in line with the schedule
