

DESIGN AND DECORATION CONCEPT

You know that a well-thought-out design and decoration concept is essential for your wedding? You're dreaming of an extraordinary setting, a magical atmosphere and above all a unique and special event styling, which will serve as a central theme throughout your entire wedding concept? I will gladly create an individual design concept for you.

The concept includes:

- A personal meeting and brainstorming about your wishes and ideas, according to your location
- Creation of two mood boards suitable for your wedding concept
- Development of a detailed decoration concept for your location
- Recommendation of professional service providers such as florists, rental decoration companies etc.
