

## FINDING THE RIGHT LOCATION

You have an exact idea of what your party should look like, but you are missing the perfect location? According to your personal wishes, your number of guests, your budget and the requirements for your big day, I will find appropriate locations.

The research includes:

- Getting to know each other and brainstorming about your wishes and ideas
- Location research and suggestion of 3 - 5 locations suitable for you
- Date options and solicitation of offers
- Presentation of the possibilities and referral of the respective contact persons of the locations
